## Full Day Workshop Thursday July 29, 2021 (9-3:30) Cartooning for Quilters

Cheryl is a dynamic speaker and is super enthused for sewing to expand their creativity and challenge themselves with new techniques. She will teach us 'Cartooning for Quilters' – we will learn how to draw cartoons of our own design (sewing related, dinosaurs, nature, faces, really anything) and she will show us how to make a quilt square with our best design. Claudia Moffat created this super cute 'Steamy the Iron' in a workshop she attended. No recordings will be made of the lecture or workshop.

Students will need to supply:

- fabric scraps (solids work best)
- scissors for fabric and paper
- iron and ironing board

Cheryl will supply a kit (\$10) that will be made available on Annabelle's porch (after July 18<sup>th</sup>), that includes:

- drawing paper
- paper backed fusible web
- marker and pencil
- drawing samples

Please register for this Virtual workshop with Rosemary Sullivan at (630) 441-2173 or [rosemary.sullivan.44@gmail.com](mailto:rosemary.sullivan.44@gmail.com)

\$45 members/\$55 non-members and an additional \$10 if you want the kit.
