inch higher for top edge.

Charity Christmas Stocking Pattern

Top of Stocking

✕ Placement of optional loop hanger.
Place between 2 linings RST and
pin in place before sewing around
stocking.

Pattern includes seam
allowance of 1/4"

Loop Option

Cut piece of fabric that coordinates with the lining | 1/2" X 9"

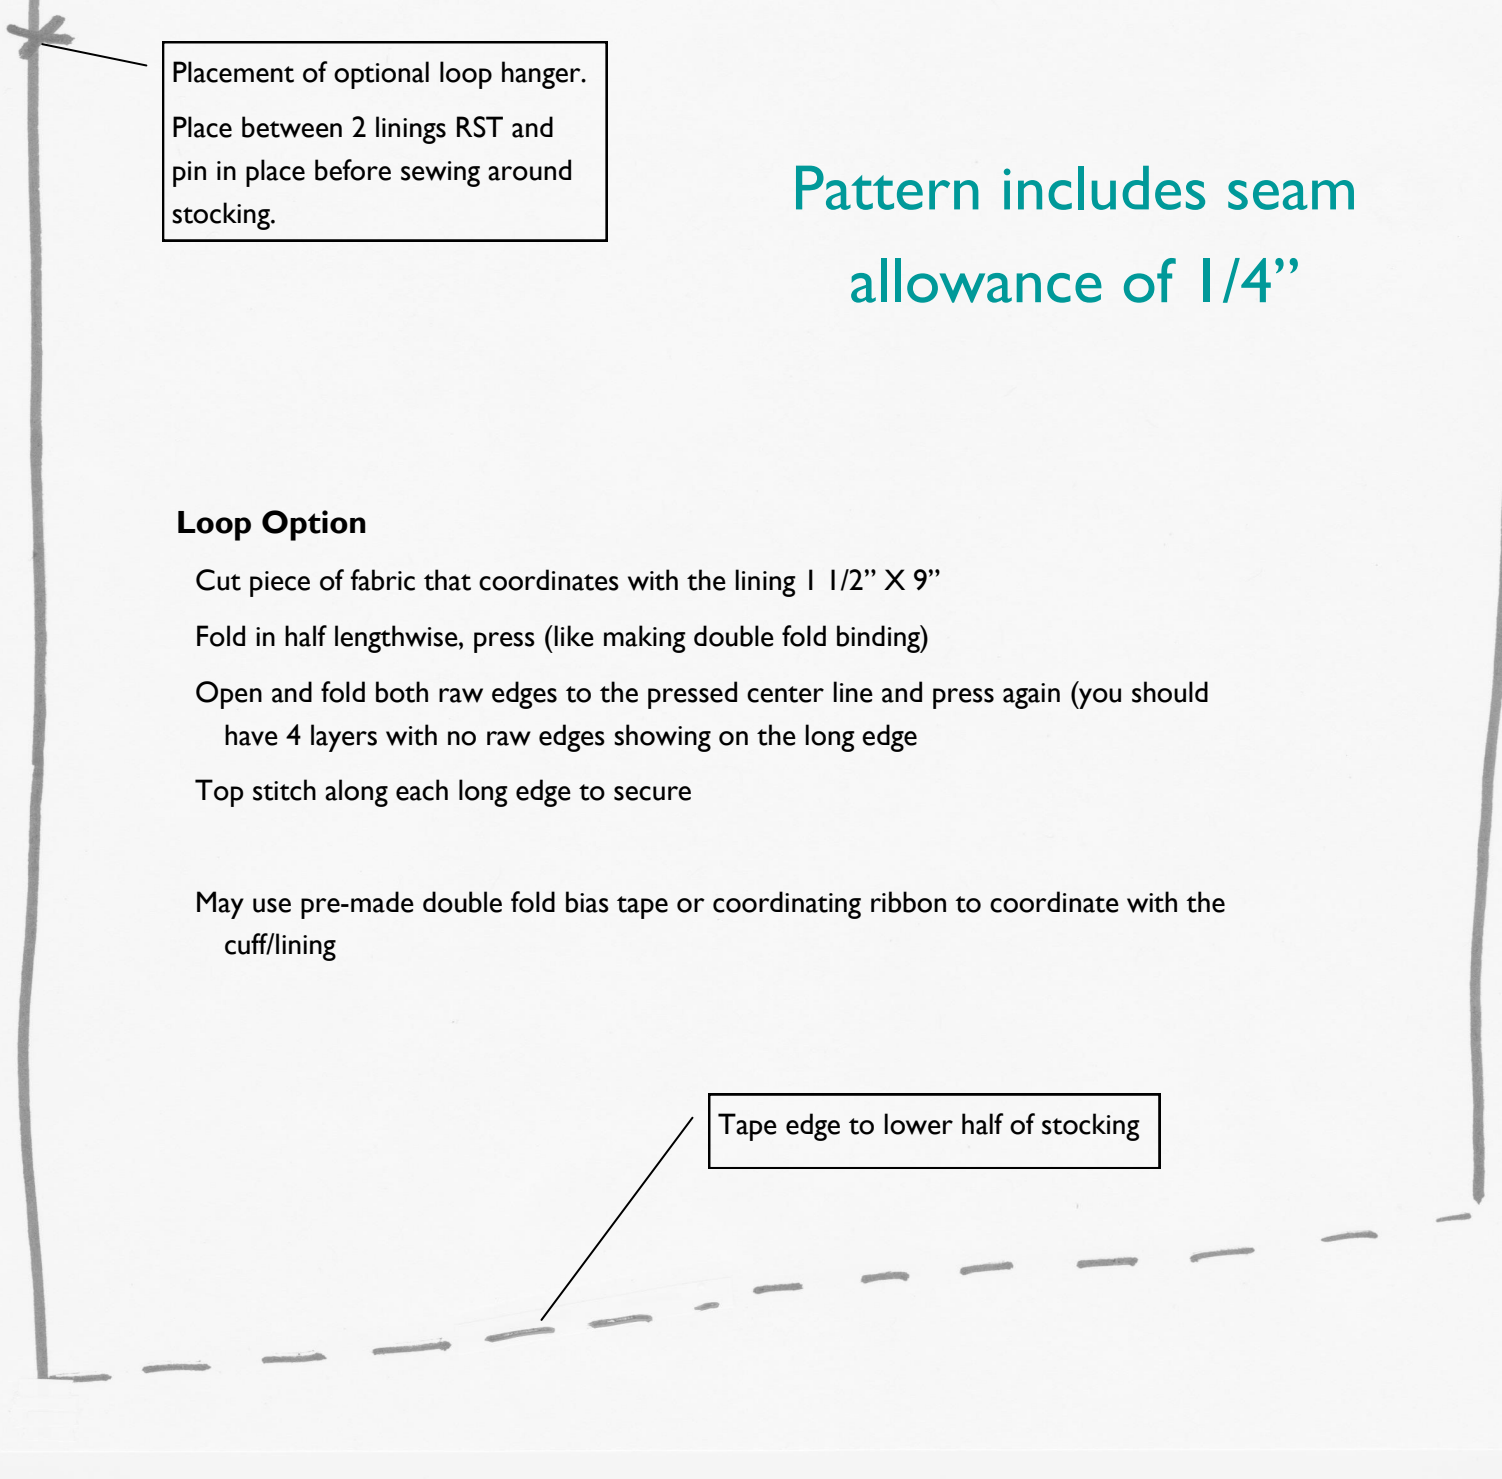

Fold in half lengthwise, press (like making double fold binding)

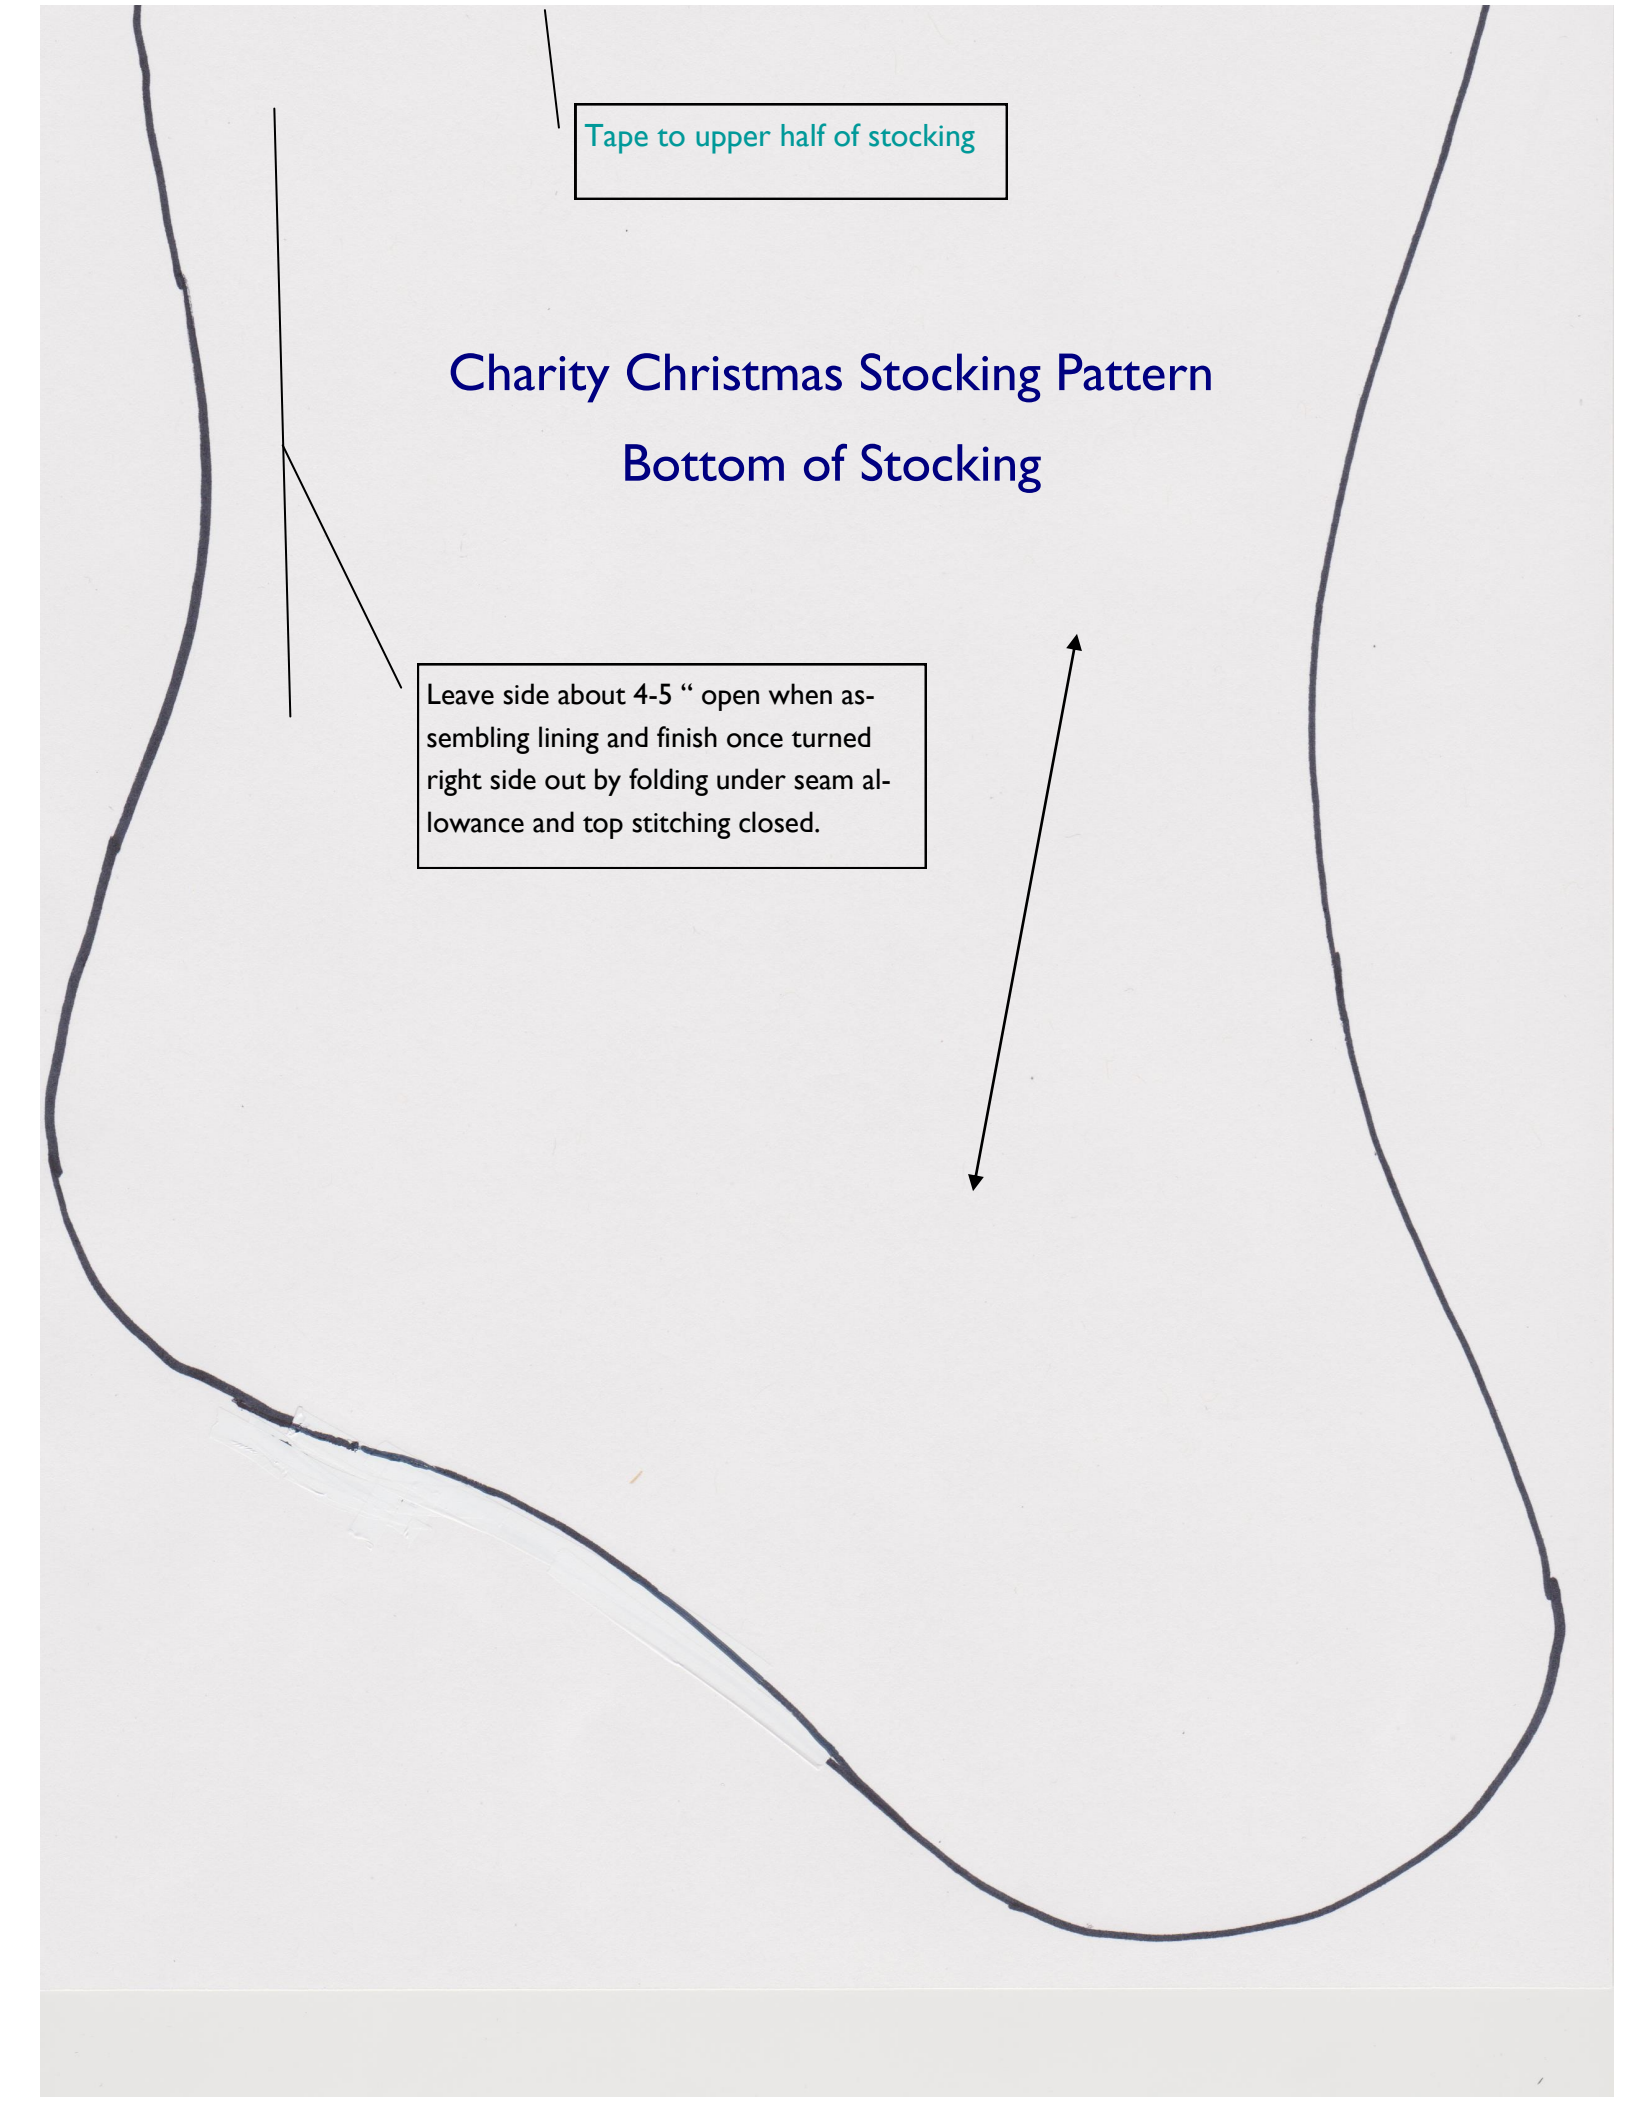

Open and fold both raw edges to the pressed center line and press again (you should
have 4 layers with no raw edges showing on the long edge)

Top stitch along each long edge to secure

May use pre-made double fold bias tape or coordinating ribbon to coordinate with the
cuff/lining

Tape edge to lower half of stocking

Tape to upper half of stocking

Charity Christmas Stocking Pattern Bottom of Stocking

Leave side about 4-5 " open when assembling lining and finish once turned right side out by folding under seam allowance and top stitching closed.
